

Article Discussion

PA 604: Methods of Analysis in Public and Urban Affairs (Fall 2020)

20 points

Due: November 9, 2020

Overview:

For this assignment, we'll be meeting to discuss an academic journal article that you think represents a great example of best practices in research design.

Requirements

You'll be giving the class a brief (2-5 minute) synopsis of your article, addressing the following:

- Summarize the article
- Discuss the main topic(s) covered in the article
- What is the research question?
- How did the researcher(s) answer the research question (e.g. what data were used)?
- What methods did the researcher(s) use?
- Distill the main findings
- Explain why this article represents "best practices" in research, from your perspective. If you'd like, you can also share why you were drawn to this article.

Grading

You will be graded on whether or not the above items are addressed.
